KEY STRATEGIC AREAS OF FOCUS

EXTERNAL

INTERNAL

Membership

Grow the FBA community.

Add more value to members through high quality services and programs, building on member resources, and integrating new technologies.

Brand and Advocacy

Build greater awareness of FBA and the family business sector.

Increase advocacy activities through connections with government, media, and key associations.

Business Sustainability

Grow in-house and FBA-owned programs and resources tailored specifically to family business.

Focus on long-term financial sustainability for continued reinvestment in member programs and services.

People

Instill a values-driven culture with a high performing team - everything we do is to achieve our vision and mission, and aligned to our values.
