

# THRIVE TOGETHER: JOIN FBA'S FORUM PROGRAM

Our Forum Program has been a cornerstone of FBA for 25 years, fostering a community where like-minded peers come together for collective learning, growth and support.

Forum groups offer a supportive and confidential space to navigate challenges, workshop ideas or issues, and celebrate successes. Led by an accredited family business facilitator, the Forum Program is your unique opportunity to seek counsel, learn from other's experience, and share your own learnings. Ultimately, no one understands the nuances of family business better than you and your peers.

**“Having recently  
joined my Forum  
Group I wish I’d done  
it 10 years sooner.  
The camaraderie,  
confidentiality and  
freedom to flesh out  
challenging issues is  
utterly liberating.  
I’ve found my  
trusted network.”**

at Jana Group of Directors
